

Honoring our Veterans

Many members of our church have served a tour of duty in a branch of the Armed Services, seen combat duty, served in the National Guard, been military chaplains or physicians, or served their country in their own choice of public service. This week and Sunday November 11 is a time set aside for the United States to honor those people who have sacrificed so much in the defense of our country and the freedoms we all enjoy, including the freedom of religion. As we have learned throughout our history, "freedom is not free",

but needs to be protected, nurtured, and appreciated.

Veterans Day, formerly known as **Armistice Day**, was originally set as a U.S. legal holiday to honor the end of World War I, which officially took place on November 11, 1918. In legislation that was passed in 1938, November 11 was "dedicated to the cause of world peace and to be hereafter celebrated and be known as 'Armistice Day.'" This new legal holiday was in honor of World War I veterans.

In 1954, after having been through World War II and the Korean War, the 83rd U.S. Congress, amended the Act of 1938 by striking out the word "Armistice" and inserting the word "Veterans." With the approval of this legislation on June 1, 1954, November 11 became a day to honor American veterans of all wars.

We salute and honor the contributions made by members of First Christian Church in the honor roll of veterans.
